

Academic Performance Scholarship

HU MI

Associate of Science

“A brilliant student” as his teacher calls him, Hu Mi has been performing well in the programme, achieving high GPA in each semester. The teacher said he demonstrated full attentiveness in class and was always well-prepared for asking questions in the lesson. He has been placed on the Principal’s List and is awarded this scholarship. Besides being academically agile, Hu Mi is also active in extra-curricular activities. He is the Chief Mentor of the College’s Student Mentorship Scheme, organizer of the student orientation camp and class representative. Last year, he participated in the College’s Study Abroad Scheme and spent the summer holiday studying in Singapore. He commented that the overseas study experience was a truly eye-opening experience.
